Dear Colleagues,

Croeso cynnes iawn!

It gives me enormous pleasure to welcome you to the 2025 Annual Scientific Conference of the British Association of Oral Surgeons being held on **Wednesday 2nd April 2025 – Friday 4th April 2025**. The conference is being held at the **Celtic Manor Resort** which is a fantastic venue surrounded by award winning golf courses and beautiful scenery.

Celtic Manor is situated minutes from the M4 motorway and is easily accessible by train as it is less than 5 miles from Newport Train Station. Bristol Airport is the closest option for colleagues needing to fly to the area.

Following the success of our conference in 2024 we are continuing with our popular 3-day scientific programme. The Conference working group of Kandy Ganesan, Kelly Gillan, Daniel Thompson, Judith Jones, Kate Taylor, and I have worked hard to bring you an exciting programme that includes **Dr Elizabeth Price**, Consultant Rheumatologist, discussing Biologics and **Dr Vinod Patel** highlighting the best treatment for cases of MRONJ.

We have aimed to link Oral Surgery to other areas of interest with lectures covering aspects of implant treatment in areas of reduced bone height and an Orthodontic slant with lectures on *Transposition of Teeth* and *Exposure of Canines*. We are also fortunate to have an Oral medicine colleague, **Prof. Konrad Staines** speaking to us regarding Oral Manifestations of Systemic Disease.

In continuing our aim to discuss issues beyond our clinical field, we are happy to announce that we have **Sarah Davies** speaking to our conference. Sarah is a business coach, trainer and is passionate about engaging and leading positive menopause discussions and programmes across the workplace.

In addition to all of the above, we also have other oral surgery-relevant topics of wisdom tooth research, surgical endodontics and cyst removal, vascular malformations, and dental trauma related to the use of e-scooters.

Delegates are invited to attend any of the relevant **Trainee, Primary Care, SAS and Consultant** meetings which are held during lunchtime on Wednesday and Thursday.

Once again, we have our **Dental Nurses Day** which this year has been organised by Daniel Thompson. The programme for this day is varied and promises to be hugely informative for all delegates.

I would encourage all to visit our very generous sponsors at their stands throughout conference.

We will, of course be showboating **the best research and audit** work carried out by our membership and we are already excited about presenting the prizes at the formal dinner on the Thursday evening. Dinner and dancing will be enjoyed at the Celtic Manor resort.

The informal evening on the Wednesday will also be held at the Celtic Manor in their Exhibition Hall with pop-up food and drink carts as well as fun activities to get all delegates socialising!

I look forward to seeing you at Conference!

Dr Rhian Jones
BAOS President

Day 1 – Wednesday 2 April 2025 Caernarfon Suite (Level C1)

Registration will be open from 0900 hrs
with refreshments, access to the sponsors and networking.
